¹ Regular quota numbers include positions for foreign students.

² Supernumerary/above quota positions are not available to applicants from Canada. They are provided to foreign students only, under contracts with foreign governments or educational institutions to provide medical education on a cost-recovery basis. These positions may be in either first year or at an advanced standing level.

³ See next table for details.

⁴ Only required for international students and for Canadian citizens/permanent residents who hold undergraduate degrees from non-Canadian universities.

⁵ Not required for students who have completed the prerequisite courses within Saskatchewan.

**Geographic Allocation of Places within Quota in Canadian Faculties of Medicine
2011/12
Répartition géographique des places contingentées aux facultés de médecine canadiennes**
