

Certain graduate programs offered through some faculties of medicine were excluded for the 2009/10 academic year. The excluded programs, reported enrolments and number of graduates are listed below.

Faculty of Medicine and Department	Enrolled*		Degrees Conferred		Post-doctoral Fellows
	MSc	PhD	MSc	PhD	
Laval, Université Orthophonie	109	-	31	-	1
Montréal, Université de Orthophonie/audiologie	85	-	63	-	2
McGill University					
Communication Disorders	52	17	2	2	4
Nursing	74	28	2	-	1
Occupational Therapy	60	-	11	1	-
Physical Education & Therapy	50	-	11	1	-
Rehabilitation	21	33	-	-	1
Queen's University					
Nursing	28	10	10	-	-
Rehabilitation	296	18	126	5	1
Toronto, University of					
Occupational Therapy	161	-	83	-	3
Physical Therapy	172	-	83	-	5
Rehabilitation	27	40	11	5	-
Speech-Language Pathology	96	15	37	3	2
McMaster University					
Nursing	58	38	9	6	-
Occupational Therapy	127	-	61	-	-
Physiotherapy	130	-	68	-	-
Rehabilitation	58	22	1	-	-
Western Ontario, University of					
Dentistry	-	-	-	-	2
Manitoba, University of					
Occupational Therapy	100	-	53	-	-
Rehabilitation	21	-	3	-	-
Alberta, University of					
Dentistry	19	5	8	2	1
British Columbia, University of					
Audiology & Speech Sciences	83	5	20	1	0
Rehabilitation	334	18	88	2	0
<b>Total</b>	<b>2161</b>	<b>249</b>	<b>781</b>	<b>28</b>	<b>23</b>

\* Includes part-time enrolment

(these notes apply only to 2009/10)

- Biochemistry:** includes molecular biology (Dalhousie University).
- Biophysics:** includes radiation & biomedical imaging, (Université de Sherbrooke); medical radiation physics (McGill University); medical imaging, radiation oncology (University of Toronto); imaging (University of Western Ontario); radiology & diagnostic imaging (University of Alberta); radiology (University of Calgary); radiology (University of British Columbia).
- Physiology:** includes biophysics (Dalhousie University); endocrinology (Université Laval); pharmacology (McMaster University).
- Miscellaneous:**  
(Basic Sciences) includes Centre for Cellular & Biomolecular Research, Institute of Medical Science (University of Toronto); biotherapeutics (University of Western Ontario); psychology (Northern Ontario Medical School); medical sciences (University of Calgary).
- Medicine:** includes cancer & development, cancer research (Memorial University of Newfoundland); cardiology, haematology (Université de Montréal); oncology (McGill University); cancer research, gastroenterology, respiratory & critical care (Queen's University); blood & vasculature (McMaster University); oncology (University of Western Ontario); oncology (University of Alberta); cardiac sciences, cardiovascular & respiratory sciences, gastrointestinal sciences, oncology (University of Calgary).
- Miscellaneous:**  
(Clinical Fields) includes medical sciences (Dalhousie University); clinical sciences (Université de Sherbrooke); clinical sciences (Université de Montréal); metabolism & nutrition (McMaster University); health sciences (University of Saskatchewan).
- Surgery:** includes ophthalmology (Université de Montréal); ophthalmology (McGill University); ophthalmology, otolaryngology (University of Toronto); ophthalmology (University of Alberta).
- Miscellaneous:**  
(Other Fields) includes computational biology & bioinformatics, health informatics (Dalhousie University); customized programs (Université Laval); bioethics, bio-informatics (Université de Montréal); social studies of medicine (McGill University); MD/PhD combined programs (McMaster University); physician assistants (University of Manitoba); MD/PhD combined programs (University of British Columbia).
