¹ Regular quota numbers include positions for foreign students.

² Supernumerary/above quota positions are not available to applicants from Canada. They are provided to foreign students only, under contracts with foreign governments or educational institutions to provide medical education on a cost-recovery basis. These positions may be in either first year or at an advanced standing level.

³ See Table 2b for details.

**Geographic Allocation of Places within Quota in Canadian Faculties of Medicine
2008/09**
