National, competency-based UGME Curriculum – Freely Available Now!

With funding from Health Canada, The Association of Faculties of Medicine of Canada (AFMC) successfully launched the **national, bilingual, and online** Undergraduate Medical Education (UGME) curriculum in January 2021.

The UGME curriculum consists of 10 newly updated modules designed specifically for Canadian medical students to help close gaps in current medical education offerings.

Scan the QR Code now to register for modules such as Core Concepts in Pain, Opioid Prescribing, Recognizing Opioid Use Disorder and more!
