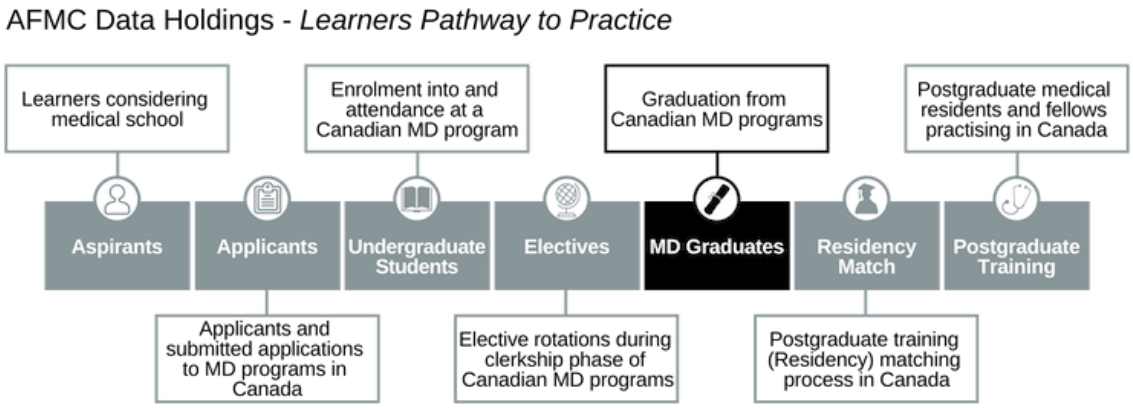
Section H. The AFMC Graduates Study (MD Programs) – Description:



The AFMC MD Graduates Study provides information on the sex, province/territory/foreign country of residence, date of receipt of MD degree, MD degree awarding faculty, campus, first post-MD residency placement location, and specialty of MD graduates. The study is informed by the annual AFMC Survey of MD Graduates that collects demographic and educational information about the students who received the Doctor of Medicine (MD) degree at one of the seventeen Canadian Faculties of Medicine. The Study has been published as part of the CMES collection annually since 1978 with data from 2003 onward available in our database.

Section H. The AFMC Graduates Study (MD Programs) – Table Notes:

1. Tables in Section H were renumbered in Volume 40 for better readability. Please see APPENDIX D for references to the table numbers of the previous years' publications.

2. During 1983/84, the Data and Information Services of AFMC carried out a retrospective survey of the number of MDs awarded by Canadian universities since 1940. Each university was surveyed individually. The retrospective survey was conducted both to check on the accuracy of the data available at AFMC and to extend the series backwards in time. No reliable information was available on the number of MDs earned by women earlier than 1955 and the retrospective survey provided an opportunity to include information on the number of MDs earned by women each year since 1940. For seven of Canada's seventeen Faculties of Medicine this historic series covers the entire period of their operation as MD awarding institutions. This corrected series, which has been as carefully checked as possible given the passage of time, replaces data on this topic published prior to the 1984 edition of CMES.

3. The MD was awarded for the first time in:
   - 1951 by University of Ottawa,
   - 1954 by University of British Columbia,
   - 1957 by University of Saskatchewan,
   - 1970 by Université de Sherbrooke,
   - 1972 by McMaster University,
   - 1973 by Memorial University of Newfoundland,
   - 1973 by University of Calgary, and
   - 2009 by NOSM University

   * All other universities have awarded the MD during the entire period covered by this series.

4. Two classes graduated in the same year:

- Dalhousie University	1943; 1974
- Université Laval	1946; 1949; 1965; 1972
- Université de Montréal	1965
