Section E. The AFMC Aspirants Study – Description:

AFMC Data Holdings - *Learners Pathway to Practice*

AFMC continues to look for ways to improve the quality, accessibility, and equity of medical education. Recognizing that aspirants – those interested in a medical career – don’t all become applicants (see the AFMC Applicant Study), AFMC will be studying aspirants, their motivations, and what led them to apply or not apply to medical school in Canada. Look to this space for studies and data on the aspirant pool.
